

Nick Bantock (born 14 July 1949)

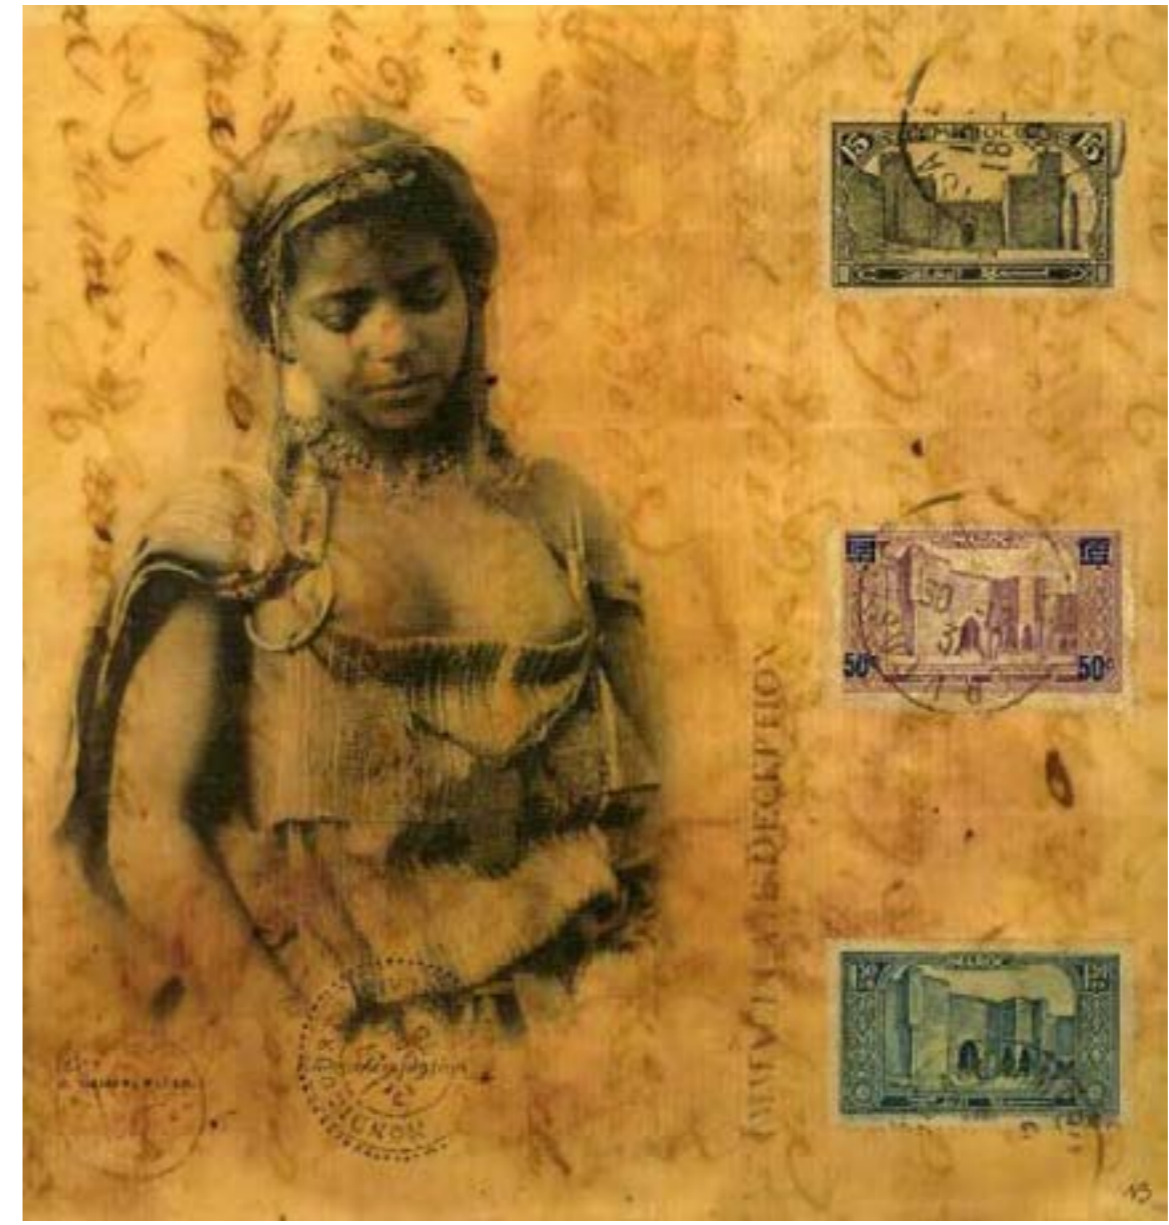

is a British artist and author based in Saltspring Island, British Columbia, known for his series, The Griffin and Sabine Trilogy.

collaged Morocco

Bantock's collages are said to be based on postcards from Algeria, Tunisia and Morocco and represent Nick's fascination with turn of the century North Africa. Layered with varnish, bees wax or transparent film it is often difficult to see exactly how these unusual pieces have been created.
