

# CIRCUIT TASK STAMP SHEET

## TASK

Design two stamps on the stamp sheet using the prompt.

The prompt is communication

## STAMP 1

This stamp is just for you to design individually, using the prompt.

## STAMP 2

Take part in designing the collaborative stamp. You can add and take away elements in the stamp. This is the stamp that will be designed by all of us together.

Once finished with your design for stamp 1, place it in the next available empty stamp space on the sheet.

Please keep the collaborative stamp (stamp 2) in the same place as shown below.

## REMEMBER TO

1. Save the task on your computer
2. Work on the task
3. Send your new version of the task to the next person in the circuit  
(Include the instruction sheet)
