

MIXEDMEDIA MAILART COLLAGE:

CREATING A LAYERING EFFECT

THE FIRST PERSON DIVIDE A3 PAPER TO HAVE A GUIDE TO PUT UR CHOSEN ELEMENTS WITHIN EACH ONE OF THOSE SECTIONS.

WE CAN PICK SOME BASIC COLOR as WELL

START BY PICKING UP IMAGES/ ELEMENTS ON THE

ARTBOARD OR PAPER MATTE MEDIUM IN THE PLACE THAT U WANT ADDING MORE ELEMENTS, SKETCHES, STAMPING OR EVEN SCRIPT.

Make sure to keep the version you received.

IT VERY RANDOM AND NOT THINK TOO MUCH ABOUT IT. YOU COULD MAKE AN ANALOGUE COLLAGE TOO BUT YOU NEED TO

SCAN IT TO FORWARD IT TO THE NEXT DESIGNER.

AT LEAST WHEN THE CIRCUIT IS FINISHED AFTER PRINTING IT CUT OUT A

COUPLE OF TEMPLATES 3.5X5 INCHES THE SIZE OF THE POSTCARD THAT COULD HELP US TO VISUALLY PLAY AROUND AND

GET AN IDEA OF WHAT THAT WOULD LOOK LIKE.

MAKE A MARK AND CUT IT.

NOW U CAN ADD UR OWN STAMP AND NUMBERS, LETTERS, SCRIPT, SKETCHES, IMAGES, STAMPS IN IT.

THE ELEMENTS THAT YOU USE CAN NOT BE USED AGAIN.

SO IF U START WITH DIVIDING UP THE PAPER IN MANY

DIFFERENT SECTIONS THE FIRST DESIGNER HAS THE RIGHT TO DECIDE IF THE NEXT DESIGNER WANT TO PUT MORE ELEMENTS

ON THE COLLAGE OR FORWARD IT TO THE NEXT DESIGNER TO TRANSLATE THE NEXT ELEMENTS.

USE WHAT DO U WANT AS FIRST DESIGNER AND UPDATE THE

LIST:IN ORDER WHICH ELEMENTS YOU USED AND WHAT THE NEXT STEPS FOR THE NEXT DESIGNER TO PICK WILL BE.

Instruction:

BE FREE TO USE THE STEPS U WANT.

SEND THIS TASK TO THE NEXT PERSON WITH PDF COPY TO THE NEXT PERSON.

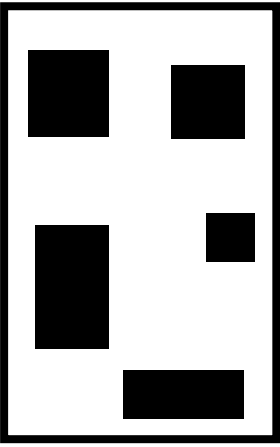

IF U GOT THE TASK WITH THE PDF FEEL FREE TO MAKE IT UR COLLAGE BY ADDING UR TOUCH ON IT. **Make sure to keep the**

version you received BY SENDING IT TO RAMI

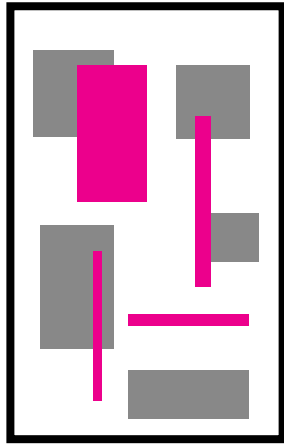

HAVE FUN.
